

## DANGEROUS GOODS

The goods shown below are considered **Dangerous Goods** (*articles or substances which are capable of posing a risk to health, safety, property or the environment*) and these must **NOT** be taken into the cabin or accepted as checked-in baggage:

## SECURITY INFORMATION

For your own safety as well as the safety of other passengers and crew, please take into consideration the following before flying:

- ❖ You must not agree to take any item from anyone whom you do not know.
- ❖ You must not agree to take any item with you without knowing its contents.
- ❖ You must be in control of your belongings to prevent something from being added into it without your knowledge.
- ❖ Smoking is not allowed in all of our flights.

Should you have questions about the items that you will be carrying on the aircraft, please do not hesitate to contact us.
