6. We and our agents shall not check through Baggage for other Carriers where we do not have an interline agreement with them. Therefore, where you intend to arrive at an airport on another Carrier's flight in order to connect with one of our flights or you intend to arrive at the airport on one of our flights in order to connect with another Carrier's flight you must check in advance whether we have an interline agreement with them. If we do not, you are responsible for clearing your Baggage and having it checked-in and re-tagged for the next flight. In such circumstances, we are not liable for any loss, damage or delay to your journey or baggage.

E. RIGHT OF SEARCH

For reasons of safety and security we may request that you permit a search and scan of your person and a search, scan or x-ray of your Baggage. If you are not available, your Baggage may be searched in your absence for the purpose of determining whether you are in possession of or whether your Baggage contains any item described in IX-C or any firearms ammunitions or weapons, which have not been presented to us in accordance with the said article. If you are unwilling to comply with such requests we may refuse to carry you and your Baggage. In the event a search or scan causes damage to you, or an x-ray or scan causes damage to your Baggage, we shall not be liable for such Damage unless due to our fault or negligence.

4. Maximum weight of any single piece of checked baggage is 32 kg (70 lb.). Acceptance of any bag weighing more than 32 kg (70 lb.) is subject to prior approval and notification upon booking/reservation. Overweight items will be repacked or split into lighter units during check-in. Such items that cannot be repacked will not be accepted for carriage. In either case, we shall not be liable to you for any loss, damage or delay arising as a result of your failure to comply with the weight allowance and need to repack, split or decline to carry the overweight items.

G. EXCESS VALUE DECLARATION AND CHARGE

1. You may declare a value for Checked Baggage in excess of the applicable liability limits. If you make such a declaration, you shall pay reasonable additional charges in accordance with Our Regulations.
2. We will refuse to accept an excess value declaration on Checked Baggage when a portion of the carriage is to be provided by a non-IATA Member Carrier which does not offer the facility of declaring excess valuation.

1. Bassaka air may specify maximum dimensions and/or weight for Baggage which you carry onto the aircraft. If we have not done so, Baggage which you carry onto the aircraft must fit under the seat in front of you or in an enclosed storage compartment in the cabin of the aircraft. If your Baggage cannot be stored in this manner, or is of excessive weight, or is considered unsafe for any reason, it must be carried as Checked Baggage.
2. Objects not suitable for carriage in the cargo compartment (such as delicate musical instruments) and which do not meet the requirements in item above, will only be accepted for carriage in the cabin compartment if you have given us notice in advance and permission has been granted by us. 2. Only the bearer of the Baggage Check and Baggage Identification Tag, is entitled to delivery of Checked Baggage.
3. If a person claiming the Baggage is unable to produce the Baggage Check and identify the Baggage by means of a Baggage Identification Tag, we will deliver the Baggage to such person only on condition that he or she establishes to our satisfaction his or her right to the Baggage thereto, and if required by us, such person shall furnish adequate security to indemnify us for any loss, damage or expense which may be incurred by us as a result of such delivery.

Such carriage may be subject to additional conditions by us, which are available on request.
